

## Info Sheet for Technical description

No. XXXX (事務局付番)

### Organization

\* Mandatoty fields

Name of Organization*	PharmaBio Corporation	
Address, City, States, Zip, Country*	3-25-22 Tonomachi, Kawasaki-Ku, Kawasaki, Kanagawa 210-0821 JAPAN	
URL	<a href="https://www.pharmabio.co.jp/en/index.html">https://www.pharmabio.co.jp/en/index.html</a>	
Brief Descriptions of Organization* (Approx. 100 words)	PharmaBio is engaged in the development of new regenerative medicines as well as high quality contract manufacturing services.	
Contact address	Name*	Hirohito Shimazu
	Department* / Position	Business Planning Department
	E-mail* / TEL	<a href="mailto:hshimazu@pharmabio.co.jp">hshimazu@pharmabio.co.jp</a>

### What kind of technology do you want to offer? \*

- A.** Clinical Development Pipelines → Please see **Sheet [A]**
- B.** Regenerative Medicine-related Consumables / Instruments / Materials / CDMO Services etc. → Please see **Sheet [B]**
- C.** Platform Technologies(\*) that are not included in the above (Group B) → Please see **Sheet [C]**
- \* Peripheral technologies that contribute to a significant improvement in productivity throughout the value chain of pharmaceuticals, from research and development to manufacturing and ultimately market launch.

### If you agree to the following, please check "Yes" below. \*

The technologies introduced in this 'Info Sheet' are in the public domain, as they have been published in research papers or have related patent applications.

- Yes

### Do you have any collaborations/partnerships with pharmaceutical companies?

- Yes
- No

### If you have already received funding from VCs or other sources, up to which stage has the investment round progressed?

- Angel / Seed (including AMED/JST grants)
- Series A
- Series B
- Series C
- Series D or further advanced stages

### Do you agree to leave your presentation materials at FIRM hands and entrust us to make use of them for the purpose of promoting your partnering opportunities? \*

Options*	Comments
<input type="checkbox"/> Yes	
<input checked="" type="checkbox"/> No
